

(iii) A description of the impact that the implemented redevelopment plan will have on the community. This shall include information on how the LRA's redevelopment plan might impact the character of existing neighborhoods adjacent to the properties proposed to be used to assist the homeless and should discuss alternative plans. Impact on schools, social services, transportation, infrastructure, and concentration of minorities and/or low income persons shall also be discussed.

(3) Legally binding agreements for buildings, property, funding, and/or services.

(i) A copy of the legally binding agreements that the LRA proposes to enter into with the representative(s) of the homeless selected by the LRA to implement homeless programs that fill gaps in the existing continuum of care. The legally binding agreements shall provide for a process for negotiating alternative arrangements in the event that an environmental analysis conducted under § 176.45(b) indicates that any property identified for transfer in the agreement is not suitable for the intended purpose. Where the balance determined in accordance with § 176.30(b)(4) provides for the use of installation property as a homeless assistance facility, legally binding agreements must provide for the reversion or transfer, either to the LRA or to another entity or entities, of the buildings and property in the event they cease to be used for the homeless. In cases where the balance proposed by the LRA does not include the use of buildings or property on the installation, the legally binding agreements need not be tied to the use of specific real property and need not include a reverter clause. Legally binding agreements shall be accompanied by a legal opinion of the chief legal advisor of the LRA or political jurisdiction or jurisdictions which will be executing the legally binding agreements that the legally binding agreements, when executed, will constitute legal, valid, binding, and enforceable obligations on the parties thereto;

(ii) A description of how buildings, property, funding, and/or services either on or off the installation will be used to fill some of the gaps in the cur-

rent continuum of care system and an explanation of the suitability of the buildings and property for that use; and,

(iii) Information on the availability of general services such as transportation, police, and fire protection, and a discussion of infrastructure such as water, sewer, and electricity in the vicinity of the proposed homeless activity at the installation.

(4) An assessment of the balance with economic and other development needs.

(i) An assessment of the manner in which the application balances the expressed needs of the homeless and the needs of the communities comprising the LRA for economic redevelopment and other development; and

(ii) An explanation of how the LRA's application is consistent with the appropriate Consolidated Plan(s) or any other existing housing, social service, community, economic, or other development plans adopted by the jurisdictions in the vicinity of the installation.

(5) A description of the outreach undertaken by the LRA. The LRA shall explain how the outreach requirements described at § 176.20(c)(1) and § 176.20(c)(3) have been fulfilled. This explanation shall include a list of the representatives of the homeless the LRA contacted during the outreach process.

(c) *Public comments.* The LRA application shall include the materials described at § 176.20(c)(6). These materials shall be prefaced with an overview of the citizen participation process observed in preparing the application.

**§ 176.35 HUD's review of the application.**

(a) *Timing.* HUD shall complete a review of each application no later than 60 days after its receipt of a completed application.

(b) *Standards of review.* The purpose of the review is to determine whether the application is complete and, with respect to the expressed interest and requests of representatives of the homeless, whether the application:

(1) *Need.* Takes into consideration the size and nature of the homeless population in the communities in the vicinity of the installation, the availability

of existing services in such communities to meet the needs of the homeless in such communities, and the suitability of the buildings and property covered by the application for use and needs of the homeless in such communities. HUD will take into consideration the size and nature of the installation in reviewing the needs of the homeless population in the communities in the vicinity of the installation.

(2) Impact of notices of interest. Takes into consideration any economic impact of the homeless assistance under the plan on the communities in the vicinity of the installation, including:

(i) Whether the plan is feasible in light of demands that would be placed on available social services, police and fire protection, and infrastructure in the community; and,

(ii) Whether the selected notices of interest are consistent with the Consolidated Plan(s) of any other existing housing, social service, community economic, or other development plans adopted by the political jurisdictions in the vicinity of the installation.

(3) Legally binding agreements. Specifies the manner in which the buildings, property, funding, and/or services on or off the installation will be made available for homeless assistance purposes. HUD will review each legally binding agreement to verify that:

(i) They include all the documents legally required to complete the transactions necessary to realize the homeless use(s) described in the application;

(ii) They include all appropriate terms and conditions;

(iii) They address the full range of contingencies including those described at §176.30(b)(3)(i);

(iv) They stipulate that the buildings, property, funding, and/or services will be made available to the representatives of the homeless in a timely fashion; and,

(v) They are accompanied by a legal opinion of the chief legal advisor of the LRA or political jurisdiction or jurisdictions which will be executing the legally binding agreements that the legally binding agreements will, when executed, constitute legal, valid, bind-

ing, and enforceable obligations on the parties thereto.

(4) *Balance*. Balances in an appropriate manner a portion or all of the needs of the communities in the vicinity or the installation for economic redevelopment and other development with the needs of the homeless in such communities.

(5) *Outreach*. Was developed in consultation with representatives of the homeless and the homeless assistance planning boards, if any, in the communities in the vicinity of the installation and whether the outreach requirements described at §176.20(c)(1) and §176.20(c)(3) have been fulfilled by the LRA.

(c) *Notice of determination*. (1) HUD shall, no later than the 60th day after its receipt of the application, unless such deadline is extended pursuant to §176.15(a), send written notification both to DoD and the LRA of its preliminary determination that the application meets or fails to meet the requirements of §176.35(b). If the application fails to meet the requirements, HUD will send the LRA:

(i) A summary of the deficiencies in the application;

(ii) An explanation of the determination; and,

(iii) A statement of how the LRA must address the determinations.

(2) In the event that no application is submitted and no extension is requested as of the deadline specified in §176.20(c)(5), and the State does not accept within 30 days a DoD written request to become recognized as the LRA, the absence of such application will trigger an adverse determination by HUD effective on the date of the lapsed deadline. Under these conditions, HUD will follow the process described at §176.40.

(d) *Opportunity to cure*. (1) The LRA shall have 90 days from its receipt of the notice of preliminary determination under §176.35(c)(1) within which to submit to HUD and DoD a revised application which addresses the determinations listed in the notice. Failure to submit a revised application shall result in a final determination, effective 90 days from the LRA's receipt of the preliminary determination, that

#### 32 CFR Ch. I (7–1–98 Edition)

the redevelopment plan fails to meet the requirements of § 176.35(b).

(2) HUD shall, within 30 days of its receipt of the LRA's resubmission send written notification of its final determination of whether the application meets the requirements of § 176.35(b) to both DOD and the LRA.

#### § 176.40 Adverse determinations.

(a) *Review and consultation.* If the resubmission fails to meet the requirements of § 176.35(b) or if no resubmission is received, HUD will review the original application, including the notices of interest submitted by representatives of the homeless. In addition, in such instances or when no original application has been submitted, HUD:

(1) Shall consult with the representatives of the homeless, if any, for purposes of evaluation the continuing interest of such representatives in the use of buildings or property at the installation to assist the homeless;

(2) May consult with the applicable Military Department regarding the suitability of the buildings and property at the installation for use to assist the homeless; and,

(3) May consult with representatives of the homeless and other parties as necessary.

(b) *Notice of decision.* (1) Within 90 days of receipt of an LRA's revised application which HUD determines does not meet the requirements of § 176.35(b), HUD shall, based upon its reviews and consultations under § 176.40(a):

(i) Notify DoD and the LRA of the buildings and property at the installation that HUD determines are suitable for use to assist the homeless, and;

(ii) Notify DoD and the LRA of the extent to which the revised redevelopment plan meets the criteria set forth in § 176.35(b).

(2) In the event that an LRA does not submit a revised redevelopment plan under § 176.35(d), HUD shall, based upon its reviews and consultations under § 176.40(a), notify DoD and the LRA of the buildings and property at the installation that HUD determines are suitable for use to assist the homeless, either

(i) Within 190 days after HUD sends its notice of preliminary adverse determination under § 176.35(c)(1), if an LRA has not submitted a revised redevelopment plan; or

(ii) Within 390 days after the Military Department's Federal Register publication of available property under § 176.20(b), if no redevelopment plan has been received and no extension has been approved.

#### § 176.45 Disposal of buildings and property.

(a) *Public benefit transfer screening.* Not later than the LRA's submission of its redevelopment plan to DoD and HUD, the Military Department will conduct an official public benefit transfer screening in accordance with the Federal Property Management Regulations (41 CFR 101–47.303–2) based upon the uses identified in the redevelopment plan. Federal sponsoring agencies shall notify eligible applicants that any request for property must be consistent with the uses identified in the redevelopment plan. At the request of the LRA, the Military Department may conduct the official State and local public benefit screening at any time after the publication of available property described at § 176.20(b).

(b) *Environmental analysis.* Prior to disposal of any real property, the Military Department shall, consistent with NEPA and section 2905 of the Defense Base Closure and Realignment Act of 1990, as amended (10 U.S.C. 2687 note), complete an environmental impact analysis of all reasonable disposal alternatives. The Military Department shall consult with the LRA throughout the environmental impact analysis process to ensure both that the LRA is provided the most current environmental information available concerning the installation, and that the Military Department receives the most current information available concerning the LRA's redevelopment plans for the installation.

(c) *Disposal.* Upon receipt of a notice of approval of an application from HUD under § 176.35(c)(1) or § 176.35(d)(2), DoD shall dispose of buildings and property in accordance with the record of decision or other decision document prepared under § 176.45(b). Disposal of
